5.4.1 The Alumni Association / Chapters (registered and functional) contributes significantly to the development of the institution through financial and other support services.

Dwaraka Doss Goverdhan Doss Vaishnav College Alumni Association (DGVCAA) is an august body representing the alumni of the college, right from the first batch to the recently graduated students. The main objective of the Alumni Association is to be an interface between the vast number of alumni and the college. The members of the alumni association regularly interact with the management, principal, and teaching faculty to facilitate the overall development of the institution. The Alumni Association Committee is constituted once in three years during the Annual Alumni Meet. An Executive Committee meet is held every year to discuss the future plans.

The alumni of the college are well-accomplished and are achievers in their chosen fields. They have immensely contributed to the development of the institution by extending support, creating opportunities, sharing expertise. Some of the notable contributions of the alumni to the institutions are: serving as members in boards of studies of various departments, delivering guest lectures, being resource persons, offering internships to students, supporting campus placements, arranging industrial visits, providing entrepreneurship opportunities and guiding the students in career and professional choices. Some alumni of the college are continuing their association with the institution as faculty members and contributing greatly to its progress.

The college alumni also extend their support and enthusiastically participate in the various social initiatives of the college such as the annual blood donation camp, Swachh Bharat initiative and other extension activities. DGVCAA celebrated its Alumni day on 21st February 2021. Mr. Ramanathan [1978 B] and his batchmates have created a Trust named "Sneham" to render financial assistance to deserving students. With the sole aim of giving back to the alma mater, the alumni of the college have contributed richly through the years in promoting the welfare of the institution.
