## **e-Governance Policy**

Dwaraka Doss Goverdhan Doss Vaishnav College [DGVC] has been marching towards its vision of being a world class institution and is a preferred partner to both the industry and Community. The Institution has carved a niche position as a point of reference as well as a trend setter. Automation is indicative of the systematic procedures which are in place within the institution. On these lines, DGVC is committed to implement E-governance in its administration by:

1. Integrating the activities of the various departments and support operations which are currently having computerised database management and documentation systems.
2. Comprehensive implementation and swifter dissemination of information through departments / sections of the College viz. Academics, Administration, Finance & Accounts, Admissions, Examinations, Student Support and ultimately moving towards paperless office
3. Strengthening the internal Quality Assurance Cell (IQAC) and creating a centralised data management system to augment the Accreditation process and Rankings such as NAAC, NIRF, NBA and ISO.

### **OBJECTIVES:**

- E-Governance strengthens the very fabric of democracy by ensuring greater student, staff and parent's participation at all levels of governance in the institution.
- It empowers students and parents to be updated on information relating to the college, courses, departmental initiatives and get involved in the process of decision making.
- Successful implementation of e-Governance practices to enable better delivery of services to students, improved interactions with other institutions nationally and globally, better management and coordination of all the operations of the institution, greater convenience, revenue growth and cost reduction.
- To foster transparency in governance and administration.

## **Report on E-Governance Initiatives [ 2016 – 2021 ]**

**WEBSITE:** The Website of the college has been revamped to amplify the growth and to encompass the dynamic initiatives and achievements of the treasured stakeholders of the institution. It acts as a mirror of the activities of the institution and a dashboard for information, important notices and accolades, made easily available to the students and other stakeholders. The maintenance, up-gradation and updating the Website is vested with service provider/web designer duly appointed by the Management.

**STUDENT ADMISSION & SUPPORT:** The College processes all admissions digitally. This covers admissions to all courses in the Under Graduate and Post Graduate Levels. However, for the M.Phil. and Ph.D, programmes, the applications are routed through the University of Madras E-Governance Portal. The Principal and Secretary of the college are vested with the powers to take appropriate decisions to identify the best suited technology for implementation and constant up gradation of the policy aspect of Student Admission and Support.

**FINANCE & ACCOUNTS:** The institution is already equipped with the Tally software. Appropriate security measures have been undertaken for maintaining confidentiality and safety of the transactions. Training is given to the existing staff and all relevant updated versions and its usage is being done regularly to ensure smooth functioning of the Financial and Accounting operations of the entire institution.

**GENERAL ADMINISTRATION:** To provide a hassle free, convenient and cost-effective process, majority of the administration operations of the institution is being handled with ERP technology. Biometric attendance for the Faculty, standard systematic procedures for salaries, advances, PF. etc. are in place and the Management ensures that the operational functions are in tune with the latest technology to maximise the efficacy and standardisation.
