2019-2020

GUEST LECTURE ON MANUFACTURING INTERNSHIP

DATE: 24/06/2019

VENUE: Class Room

ORGANIZER: Department of Social Work, D.G.Vaishnav College

RESOURCE PERSON: Mr. Kulandaivelu, CEO, Nurturing Potential HR Service.

NO. OF STAFF PARTICIPANTS: 1

NO. OF STUDENTS PARTICIPANTS: 37

The second year students were oriented about the “Manufacturing Internship” by Mr. Kulandaivelu, Nurturing Potential HR Service. The class was explained about the way of handling interns in different companies and what does the company expects from the intern students. He also shared his own experience in his career as HR. The session was very helpful as the students got an idea about the manufacturing company’s expectations.

On 24th June a guest lecture was organized to provide an insight on do’s and don’ts in manufacturing internship. The session started with the prayer song; welcome address followed with profile of guest speaker.

His session started with a question what is the do’s and don’ts in manufacturing internship and what we as students must compulsorily learn from industry. He also mentioned some questions to be asked to the company as well as Human Resource department. He pointed some important aspects that have to be carried out such as the code of conduct, safety measures, and work timings, use of technical gadgets inside company and reading of the company manual or the book that is given by the HR. He explained all the concepts that were related to our internship using practical examples with the help of incidents that took place in company.

PRINCIPAL

Vaishnav College
Arumbakkam, Chennai - 600106.

Then in the second half, he dealt about the “campus to corporate” where in the concept was as an HR internship student how you can proceed from your campus to corporate campus and also what is expected from HR student in the company. Then he presented a video that showed the difference between fixed mindset and growth mindset. There were lot of comparisons discussed when we have fixed and growth mindset. He also advised to be open minded in asking questions. There were certain aspects such as register updates/ books, standing orders, time office, administration, transport, canteen rules and regulations, acts that are followed in the company.

There were certain laws and acts that were discussed like model standing orders, POSH act and company story and its profile. Certain points that lead to think and act were also discussed through interaction of students. New concepts such as master of learning responsibility, conduct vs misconduct in trade unions, shop floor schemes and feedback, total employee involvement. There were lot of quotes that made us think regarding our duties and responsibilities. Some important concepts of accountability were also learnt.

OUTCOMES:

On the whole the session was very interesting and useful with lot of interaction and thoughts

6. No. of Staff Participants : 8
7. No. of student participants : 150
8. Detailed Report of the Programme

On 29th of July 2019, department of B.Com (Honours) officially inaugurated its students forum, "SAMVRUTH" which translates to complete, fulfillment, an initiative to take up challenges.

It was inaugurated with the gracious presence of Dr. R. Subramaniam, who was the chief guest of the occasion. Also present were Dr. R. Ganesan, honorable Principal of D G Vaishnav College, and Shri. Ashok Kumar Mundhra, Honorable Secretary of D.G Vaishnav College, Dr. J. Jaya Shankar, Head of the department of Commerce (Shift-I), Professor. S. Seshadrinathan, Head of the Department of Commerce (Shift-II).

The principal and other dignitaries elaborated the magnificence of associations and highlighted the importance of participating in the association's activities. There was a Guest Lecture which was given by the Chief Guest on the topic "GLOBAL OPPORTUNITIES FOR COMMERCE STUDENTS".

It was really an eye opening session as the students got an idea on all the possible career options they have after graduating with a bachelor's degree, other than those regular professional courses, bank

exams etc., along with the benefits of the course and the preparation method to become a certified professional.

Also the lecturer was so versatile and intellectual he was also able to clear all the doubts of the students in a way that made sense. The lecture was not concentrated on professional courses

or bank exams but also covered an enormous amount of fields like Insurance, Investment management, Financial Planning etc.

The guest lecture was followed by the Investiture Ceremony. Members of the association were distributed their respective badges and were honored with their allocations in the association.

Name of the Event: Workshop on "Introduction to Big Data Analytics"

Date: 01/08/2019 & 02/08/2019

Venue: MCA Lab

Organizers: PG Department of Computer Science

No. of Student Participants: 30(II MSc CS & II MSc IT)

Resource Person: Mr. Vidhyasagar and Ms. Sundari, Consultant and Big Data Analyst, HTC, ITMR, Chennai

Report:

Objective of the work shop was to facilitate the participants to get cognizance of the concepts of Big Data along with hands on experience session for knowledge gain for PG projects and research work. The session started at 9:00 am by welcoming the resource persons Mr. Vidhyasagar and Ms. Sundari. The seminar provided us an insight about Big Data and related technologies. Initially the workshop started with an introductory talk on basics of Big Data. The second session gave an insight into HDFS environment and architecture. On the second day, the students gained hands on experience on Pig and Hive. The workshop aimed to motivate the students to aspire as Data Scientist.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE
DEPARTMENT OF BIOTECHNOLOGY

Report on the "Inauguration of Technosaviour -2019 & Guest Lecture"

Name of the event : Inauguration of Technosaviour 2019 & Guest Lecture
Date : 01/08/2019
Venue : Jagad Guru Shri Vallabhacharya auditorium,
DG Vaishnav College.
Organizer : Department of Biotechnology, DG Vaishnav College.
Resource person : Mr.A.K.Ravishankar,
Founder & Editor, Biotechnologist2020.com (BT2020).
No. of staff participants : 10
No. of student participants : 113

Detailed report of the program:

The inauguration of the Biotechnology association "Technosaviour" for the academic year 2019-2020 was held on 01/08/2019 at Jagad Guru Shri Vallabhacharya Auditorium in Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam.

The program started with the welcome address given by Dr.R.Uma, Head (i/c), Department of Biotechnology. The inaugural address was given by Dr.R.Ganesan, Principal, Dwaraka Doss Goverdhan Doss Vaishnav College. The announcement of the club members was done by Mrs.S.Uma, Club Co-ordinator.

Mr.R.Mounesh (18E3709), II.M.Sc Biotechnology was selected as the President, Miss.M.R.Trishna (17E1506), III.B.Sc Biotechnology was selected as the Secretary, R.Karthikeyan (18E1514), II.B.Sc Biotechnology was selected as the Treasurer of the Club for

PRINCIPAL

Vaishnav College
Arumbakkam, Chennai - 600106.

the academic year 2019-2020. The club president spoke about the aim of the club and its activities which included the organization of various events such as workshops, conferences, seminars, biomodels, debates and quizzes etc. The club inauguration was followed by the Guest lecture on the topic "Entrepreneurship opportunities in Biotechnology" by Mr.A.K.Ravishankar, Founder & Editor, Biotechnologist2020.com (BT2020).

In his lecture Mr.A.K.Ravishankar discussed about the different aspects of entrepreneurship and emphasized that "problem" and "solution" are the only ingredients in a recipe for business start-ups. He emphasized about the woman entrepreneurship and the success stories of women entrepreneurs. He also discussed about the Micro, Small & Medium Enterprises (MSME). He emphasized to raise the basic awareness of entrepreneurial concepts and to enable students to identify and learn how to make a mind-set to take up entrepreneurship as a challenging career. He interacted with the students well to make them more aware of the entrepreneurship skill development. The students were really inspired and took part in the activities organized by Mr.A.K.Ravishankar in which they had to come up with the problem and problem solving solutions with innovative ideas.

Outcomes of the event:

Students were enlightened with the strategies of entrepreneurship and economic development in the country. Students were given ideas for business start-ups.

Feedback was taken in order to analyze the effectiveness of the guest lecture. It was found that more than 90% of the students felt that guest lecture was excellent.

Lecture on literature- Report

The Department of English Literature conducted a lecture on literature on the 1st of August 2019 for the final year undergraduate students and the first-year postgraduate students. The aim of the workshop was to promote better understanding of literature and its influence. The resource person for the lecture was Christine Berberich, Senior Lecturer- University of Portsmouth, UK. The resource person was introduced to the students by Mr. Muraliganam, Head, and Department of English Literature and felicitated by Ms. M. Jayalakshmi, Head, and Department of English Literature.

The lecture focused on the importance of reading. She spoke on how politics impacts the fiction of that particular period. She discussed how few classics monopolized literature and how it reflected on popular literature. She emphasized on the different perspectives of critics and general readers on classics and other forms of literature. She expressed her view that classics are not the only form of literature and that students should explore different forms of writing that are now developing in literature. She ended the session by answering questions from the audience. The lecture was well received and appreciated by the students.

Talent Management and OD interventions:

This guest lecture was taken on 8th August 2019 and the speaker was Mr. Sarath Kumar. The lecture covered important topics such as human resources meaning, why Hr manager is needed, evolution of HR, HR manager roles, Identifying key resources etc. The evolution of HR has originated in many ways such as welfare, Industrial relations, Generalist HR, shared services, and Business focused solutions. The key qualities that human manager should possess is identifying the key talent, Build talent development plan, identify the succession gap, motivate and retain the HR potentials, Analyse current/future critical roles and risk assessment.

INVITED TALK ON 22.08.2019 - REPORT

As a part of the educative process of the Chemical Society, the Department of Chemistry organized an invited talk on 22-08-2019 for both under graduate and post graduate students. **Dr. K. Premalatha**, Head of the Department welcomed the Chief guests. In the first session **Dr. K. S. Viswanathan**, Professor (Retired), Department of Chemical Sciences, IISER, Mohali delivered a talk on the "Basics of Spectroscopy". The session was interactive and informative with interesting examples in sports, viz cricket, ice skating etc. The concept of rotational spectroscopy was thus explained in a lively manner.

In the second session **Dr. Jebakumar Jeevanandam**, Associate Professor and Head, Department of Chemistry, Rajeswari Vedachalam Government Arts College, Chengalpattu gave an introduction about Computational Chemistry and conducted using softwares such as Avagadro, NWchem, etc. The students had the benefit of working out the molecules of water and formaldehyde molecules. Both the sessions were enjoyed by the students thoroughly.

1) **Lecture series on “Unravelling Quantum Mechanics”**

A two day Lecture series on “Unravelling Quantum Mechanics “was organized by the Department of Physics (II), D.G.Vaishnav College, Arumbakkam, Chennai-106 on 21st and 22nd August-2019. The Indian Association of Physics Teachers (IAPT), endorsed this program. The Resource Persons of the event were Dr.Govind S. Krishnaswami from Centre for Mathematical Institute (CMI), V. Murugan, RKMV College, Dr G. SreeKumari, C. Joseph Prabhakar, Loyola College, Dr Harish Kumar, Dr.Jayeeta Bhattacharyya, from Indian Institute of Technology, Chennai and Dr. N. Yogesh, University of Madras, Chennai. The objective of the program was to inculcate interest in Quantum Mechanics among the students and to improve their skills in problem solving. The program was inaugurated by Principal, Dr. S. Ganesan who thanked the invited speakers, and advised the students to excel in their academics to pursue research. Altogether, 200 participants including Faculties, Research Scholars, PG students of various colleges from all over Tamilnadu attended this event.

- 1. Name of the event** : **Foldscope workshop**
- 2. Date** : **27/08/2019**
- 3. Venue** : **Physics Dept, D G Vaishnav College**
- 4. Organisers** : **Dept. of Physics**
- 5. Resource Person** : **Dr.D.Uthra, Associate Professor &Head,
Dept. of Physics, D G Vaishnav College**
- 6. No. of Staff Participants** : **3**
- 7. No. of student participants** : **50 students and 10 student volunteers**
- 8. Detailed Report of the Programme**

Foldscope is the ultra-affordable, paper microscope. Designed to be extremely portable, durable, and to give optical quality similar to conventional research microscopes (magnification of 140X and 2 micron resolution), Foldscope brings hands-on microscopy to new places!

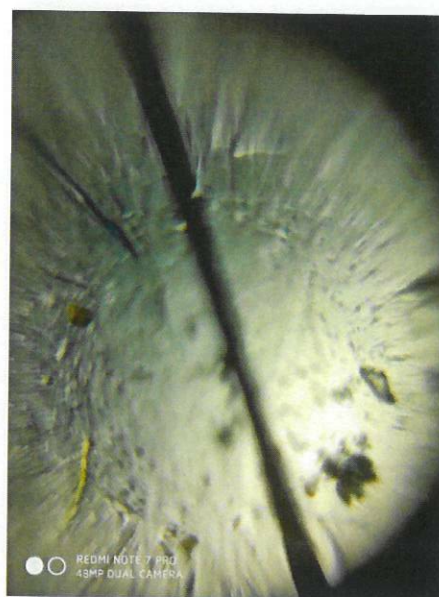

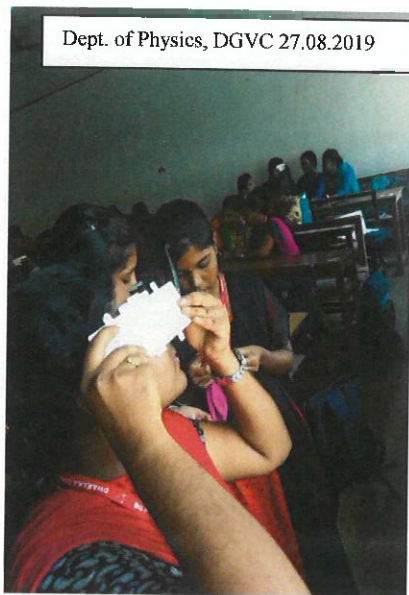

It was developed by Manu Prakash of Stanford University. It is part of the "frugal science" movement which aims to make cheap and easy tools available for scientific use in the developing world.

Our students have become a part of this initiative and have been actively uploading images in microcosmos.foldscope.org. As an activity of the Triple Helix, Dr.D.Uthra and 10 Foldscopers from our Department conducted Foldscope assembling workshop on 27.08.2019. Around 50 students of I B.Sc. Mathematics participated in the workshop. Dr.D.Uthra emphasized the assembly and handling of the Foldscope with their importance and usage of Foldscope. The participants were very excited on hearing the description of Foldscope by the trainer. At end of the session, they clarified the doubts about foldscope.

Arumbakkam, Chennai - 600106.

Dept. of Physics, DGVC 27.08.2019

9. Outcome of the programme/event

The main concept of programme was to promote science knowledge to the students mainly focused by the Origami based paper microscope. Foldscope is so affordable and versatile that it brings science to our life activities. It is really a useful and wonderful research tool for the students. The students assembled the foldscopes by themselves. They viewed the microscopic images of flower petals, pollen grains, insect legs, hair etc.

Report on National workshop on "Basic Molecular Techniques in Biotechnology"
(NWMTB-2019) September 3 & 4, 2019

Name of the Event : National workshop on "Basic Molecular Techniques in Biotechnology"
(NWMTB-2019)
Date : 3-4th September, 2019
Venue : D G Vaishnav College
Organizers : Department of Biotechnology
Resource Person : Dr. Balaji Venkataraman, Post-Doctoral Research Associate,
CSIR - CCMB, Hyderabad &
Dr. Suresh Subramaniam, Assistant Professor, Department of
Chemistry, SRMIST
No. of staff participants : 11
No. of student participants : 31

Detailed report of the program:

The two days National workshop on "Basic Molecular Techniques in Biotechnology" (NWMTB-2019) during 3-4th September, 2019 organized by The Department of Biotechnology, D G Vaishnav College began with an invocation on 3rd September 2019. The gathering was welcomed by Dr. R. Uma, Convener and Head (i/c), Department of Biotechnology. Dr. M.D. BalaKumaran, Organizing Secretary highlighted the theme of the workshop. Dr. R. Ganesan, Principal, in his address expressed happiness over the maiden effort in conduct of the National workshop by Department of Biotechnology. The chief guest of the workshop, Dr. Balaji Venkataraman, Post-Doctoral Research Associate, CSIR - Centre for Cellular & Molecular Biology, Hyderabad, Telangana on his short note emphasized the need of such workshops for the Benefit of students and researchers. The participants included Undergraduates, Postgraduates and Research scholars from various colleges in Chennai and also from various other district of

The technical session started with an invited technical talk by Dr. Balaji Venkataraman, Post-Doctoral Research Associate from CSIR - Centre for Cellular & Molecular Biology, Hyderabad, Telangana. He gave a lecture on the "Gel Electrophoresis: The art of separating biomolecules" and highlighted the significance and advances of various electrophoresis techniques. Later, demonstration and hands on training for SDS PAGE was given to the participants. The students learnt the complete process involved from sample preparation, gel casting, loading, operating of instrument and interpretation of the results obtained.

On day two, the morning session started with demonstration of Immunoelectrophoresis to the participants who gained the knowledge on the importance of electrophoresis in the field of Immunobiotechnology. This was followed by hands on training on genomic DNA extraction using bacteria by the participants. The practical sessions of the workshop on both days was handled by Dr. M.D.BalaKumaran, who provided the demonstration as well as technical lead over various experiments performed during the two days workshop.

The technical session was followed by invited lecture given by Dr. Suresh Subramaniam, Assistant Professor, Department of Chemistry, SRM Institute of Science and Technology (Ramapuram), Chennai. He emphasized the importance and applications of PCR in various fields of biotechnology and other areas of life science. The participants were provided with demonstration of PCR techniques during the afternoon session. Later on, the participant's had hands on training on agarose gel electrophoresis. The participants gained the practical knowledge on performing the agarose gel electrophoresis, including gel casting, sample loading, visualization of separated bands. They were also taught about importance and applications agarose gel electrophoresis in the field of molecular biology. The technical and hands on training session were completed and the valedictory function was started at 4.30 pm. The gathering was welcomed by Dr. R. Uma, Convener and Head (i/c), Department of Biotechnology. Dr. M.D. BalaKumaran, Organizing Secretary highlighted the summary of the two days National workshop. The participants gave their feedback on their experiences received from various aspects of the two day workshop followed by distribution of certificates to the participants. Mr. R. Mounesh, Student President, Department of Biotechnology delivered the vote of thanks. He wholeheartedly thanked the management for their support in conducting the workshop and also

PRINCIPAL

the participants for their interest to participate in the two days national workshop. Then photo session was arranged for the participants with the resource person, volunteers and faculty members.

Outcomes of the program/event:

The two days national workshop provided the participants

- a better understanding of fundamentals and basic of molecular biology techniques in scientific research
- hands on training and interpretation of various molecular biology techniques
- the knowledge on operating various instrument in the biotechnology laboratory.

DEPARTMENT OF BIOTECHNOLOGY

Report on Guest Lecture September 4, 2019

Event name: Invited Guest Lecture

Topic: Traditional Medicines-Gaining Back Importance

Date: September 4, 2019 **Time:** 2.30-4.00 PM

Venue: Shree Vallabhacharya Auditorium, D.G.Vaishnav College

Organizers: Department of Biotechnology, DG Vaishnav College

Resource person: Dr. A. Sai Ramesh M.S., Ph. D.,
Assistant Professor, Department of Biotechnology,
Vel Tech High Tech Dr. Rangarajan Dr. Sakunthala Engineering College,
Avadi, Chennai

No. of Staff participants: 9

No. of Student participants: 104

Detailed Report of the Program:

The Department of Biotechnology organized a Guest lecture on 04.09.2019 at 2.30 p.m. Dr. A. Sai Ramesh, Assistant Professor, Department of Biotechnology, Vel Tech High Tech Dr. Rangarajan Dr. Sakunthala Engineering College, Avadi, Chennai, delivered a talk on "Traditional Medicines - Gaining Back Importance". He gave an introduction of traditional medicinal plants and the endangered species, which attracted the students. He also explained the importance of herbal based drugs which can be a million dollar business and the product development of the same. He gave an insight into patenting and emphasized on the importance of gaining knowledge about patenting Bio-related products. He also included informative video session which kept the students active during the session. Modern farming was introduced and explained to the students by which he motivated entrepreneurship. Students were

highly inspired and the session was very interactive. At the end of the session the Guest was honoured with the college memento. Student feedback was collected at the end of the session.

Outcome of the event:

The students were highly inspired by his audible voice, interacting delivery of lecture and the sway of communication which grasped them. They were fascinated by the significance of various native herbs and their medicinal value. This session have made the students think about further research works which can be patented and initiated interest on entrepreneurship.

ACTIVITY 2

1. Name of the event : INTRODUCTION TO GST (Guest lecture)
2. Date : 10 September, 2019
3. Venue : Vallabhacharya Auditorium, D.G. Vaishnav College
4. Organizers : Samvruth, Student association
5. Resource Person : CA VISHNU VARDHANP
6. No. of Staff Participants : 9
7. No. of student participants : 155 students
8. Detailed Report of the Programme

It started with a college prayer song. The welcome address was presented by Ms.D.Senthamarai., Head of the department of Commerce(Honours). It was a marvelous afternoon to begin the session with and the auditorium was crowded with different students from different departments.

CA Vishnu Vardhan, who is also called Mr. GST, made a fabulous evening out of the Event by explaining to the students about what and what not is GST, how the flow and process of GST works and how well the economy received the impact of GST being introduced in the economy.

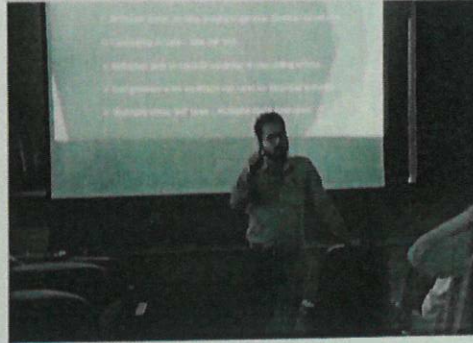

He also used an account of his own to show us how the GST transactions are made and how the values of purchase and sales transactions are entered into the accounts. The concept was well received by the students; the Q&A session for the event was well organized.

The event then was concluded with a prayer song, continued by a vote of thanks presented by one of the members of our association.

GUEST LECTURE ON INTERVIEW SKILLS

DATE: 24/09/2019

VENUE: Class Room

ORGANIZER: Prof. Aruna

RESOURCE PERSON: Mr. Ranjith Rajpurohit and Mrs. Bhargavi, Career tree.

NO. OF STAFF PARTICIPANTS: 1

NO.OF STUDENT PARTICIPANTS: 37

The students of second MSW attended skill lab session on 'Interview Skills' conducted by Mr. Ranjith Rajpurohit and Mrs. Bhargavi from 'Career tree'. The session was very useful for students as the resource person shared his own experience as well as two other dignitaries for motivation purpose. Also, Mr. Ranjith briefed on the do's and don't's in an interview which was an eye opener for the class. The session was more interactive and ended up with a feedback from few of our students.

The session was really useful and productive with real time examples. He said three stories from his own life experiences. All the three stories were inspiring and was also a learning opportunity for all of us. He said in case of failure, we must not give up and we must also face challenges.

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

He gave the tips for interview skills and also he also said how to attend the interview session:

- Be honest yourself.
- Starting impression (like look, smart)
- If you don't know the answer, please be honest in saying I don't know.
- Company profile.
- We have to do homework regarding the company profile.
- Industry knowledge and current
- Be specific and confident.

He mentioned start up in the interview and end of the interview is important as it decides the personality of a person and judgement is made based on the performance. Finally he said that your success is dependent on your hard work you do and the factors that influence you like passion, drives, confidence, competence and acceptance.

OUTCOMES:

The session gave us the insight on interview skills and how to attend the interview with clear ideas and view. He also gave us the tips that have to be followed during the interview.

Report on the Workshop on "Climate Change Impacts in environmental & Water Bodies in coastal City of Chennai using SAAI *E. faecalis* Multiplex PCR Detection Kit"

Name of the event : Workshop on "Climate Change Impacts in environmental & Water Bodies in coastal City of Chennai using SAAI *E. faecalis* Multiplex PCR Detection Kit"
Date : 26/09/2019
Venue : M.Sc Biotechnology Lab, Ganga Block
Organizers : Department of Biotechnology, DG Vaishnav College & SAAI Electro Biogenic India Pvt Ltd
Resource person : Mr.KarthikSrinivasanVarma, CEO, SAAI Electro Biogenic India Pvt Ltd

No. of staff participants: 1

No. of student participants: 25

Report of the program:

The Department of Biotechnology conducted a workshop for the post graduate students of Biotechnology in collaboration with SAAI Electro Biogenic India Pvt Ltd on 26/09/2019 and 27/09/2019 on "Climate Change Impacts in environmental & Water Bodies in coastal City of Chennai using SAAI *E. faecalis* Multiplex PCR Detection Kit".

Dr.R.Uma, Head, Department of Biotechnology gave a welcome address and inaugurated the workshop. Mr.KarthikSrinivasanVarma, CEO, SAAI Electro Biogenic India Pvt Ltd,initiated the workshop and gave a talk on the detection of microbes in varied biological samples. He also emphasized on the basic laboratory practices which has to be followed while handling the microbes in the laboratory, water quality management and food processing sector. He also discussed about the application of the kit which included the pollution monitoring on the basis of virulence and multidrug resistance and clinical surveillance.

The main objective of the programme is to give training on the "ready to use" NIOT-*E. faecalis* Multiplex PCR Detection Kit to detect the virulent genes of pathogenic *E. faecalis* (gelE-213 bp, asa1-713bp, hyl-276 bp) within 6hours in a single step.

D.G. Vaishnav College,
Chennai-600106.

R. Uma

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

The training consisted of the following modules:

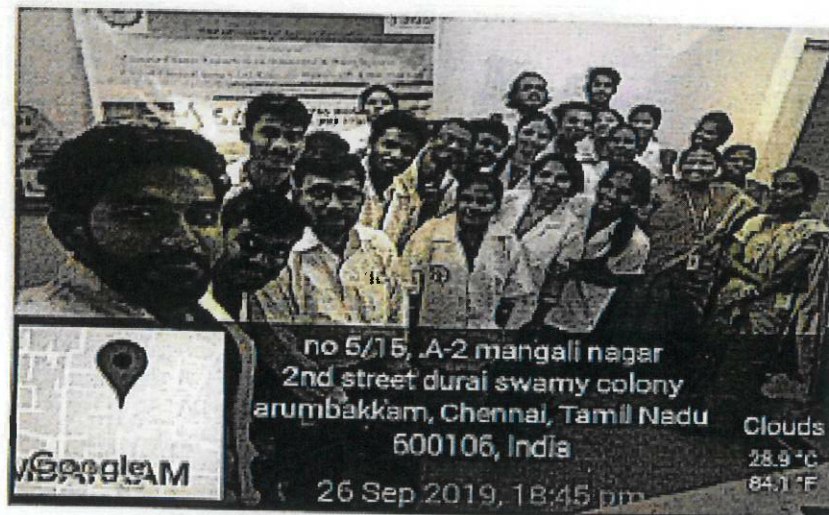

1. Preparation of *Enterococcus faecalis* broth medium
2. Sample processing:
 - a. Processing of pure culture
 - b. Processing of environmental samples
 - c. Processing of food samples
3. Growth enrichment of *Enterococcus faecalis* in samples
4. Preparation of Genomic DNA
5. Multiplex PCR assay preparation
6. PCR assay programming
7. PCR assay results interpretation

The participants were given hands on training on the rapid detection of pathogenic *Enterococcus faecalis* in the water samples obtained from diverse sources such as water samples microbial sources. Overall, the training programme was successfully conducted and it was very useful for the post graduate students of Biotechnology. The feedback of the participants were collected and analysed. The feedback was encouraging.

Outcomes of the event

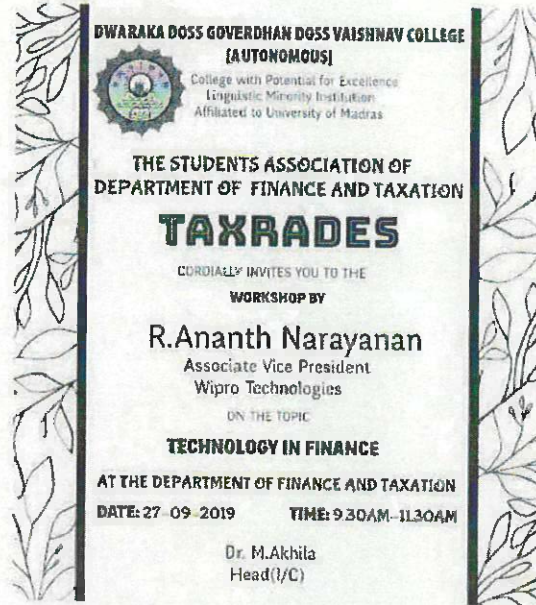

- The students had effective hands on training on the microbial detection in various water samples using SAAI *E. faecalis* Multiplex PCR Detection Kit.
- The students gained more knowledge on Multiplex PCR.

REPORT: As a continuation of Student Enrichment programme, a guest lecture was delivered for the students of the Department to provide insights on the application of Technology in the area of Finance. The session started with the brief introduction on how the vision and dreams of individuals took them to great heights, specifically citing Flipkart, Paytm, Swiggy, OLA etc. as examples. Mr. Ananth also uncovered the most rewarding opportunities in modern organizations that will generate next-level result in the field of fund management, financial Services, KYC Processing and other Strategic initiatives. The speaker, in general, also stressed, even how skill and labour based industries are drifting towards adopting modern technologies. He enlightened the students that Finance embedded with technology has tons of career opportunities and the Students interacted with the speaker throughout the session with keen interest.

OUTCOME:

- Understanding the need for maintaining KYC details by service providing industries
- Discussing the need for maintaining Data Security
- Understanding of Securing Infrastructure Services
- To identify recent trends in Accounting Information System

Essential Skills needed for HR professionals:

This guest lecture was taken by Mr.K.Nagaraja Kumar on 30/9/2019.This guest lecture contains important topics such as HR management skills, Self management skills, People management skills and business management skills. All these skills are needed for HR Professionals. Some of the functions in HR management skills are recruitment, onboarding, performance evaluation etc. The functions in self management skills include updating, multitasking, etc.The functions in people management skills include empathy, listening, communication etc.The functions in business management skills include strategic orientation, change management and corporate governance. All these skills should be followed to become a good HR manager. The guest lecture was very interesting by conducting activities.

DWARAKA DOSS GOVERDHANA DOSS VAISHNAV COLLEGE
DEPARTMENT OF SOCIAL WORK
SKILL LAB SESSION

DATE: 04/10/2019

DAY: SATURDAY

SESSION NAME : INGREDIENTS FOR SUCCESSFUL LEADERSHIP

RESOURCE PERSON: Mrs.BONIKA SARASWATHI, MBA(HR)
(Consultancy Management) BITS, PILANI

INTRODUCTION:

The session starts by welcoming Mrs. Bonika Saraswathi is a Gold Medalist in MBA (HR) from university of madras. She also holds post graduate qualifications in sociology and human resources management.

Mrs. Bonika saraswathi begins the session by asking the students what is leadership? Also she wants students to express their point of view. Each one shared about their ideas and thoughts of what all is about leadership. Mrs.Bonika explained leadership in a simple terms as "The process of influencing and supporting others to work enthusiastically toward achieving objectives". It is a process whereby one individual influences other group members towards the attainment of defined groups or organizational goals.

ACTIVITIES CONDUCTED:

After explaining the students about what basically is leadership? Speaker Mrs. Bonika engaged the students with an activity. She divided 40 students into 5 groups and gave them a task. Task was assigned to each team. The topic was five essential qualities of a modern leader .once the topic were given all the students in the team started to discuss about five essential qualities of a modern leader .Each team came up with an innovative ideas and shared their points amidst class. Almost all the students participated enthusiastically in the group activity. The duration for each team to discuss is 10 minutes.

Some of the most common qualities of a modern leader that was shared in class by the students are as follows:

- ✓ Good Communication skill
- ✓ Decision making
- ✓ Capabilities
- ✓ Decision making capabilities
- ✓ Commitment and passion
- ✓ Accountability
- ✓ Delegation and empowerment
- ✓ Creativity and innovation
- ✓ Confidence

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

✓ Strategic planning

These are some of the essential qualities of a modern leader that have been shared in class by all group members.

After the presentation of all groups Mrs. Bonika shared few things about the qualities of an leader. She encourages all the points that students came up with. Next comes the real group activity the same five team were given a some pieces of particular shape paper, students were asked to think discuss and to make a perfect complete triangle. Students were very curious to make a triangle. After discussed among their team members each team was slowly able to found triangle .this activity was really creative and require the skill of critical thinking.

Then the guest speaker Mrs. Bonika continued with the session. She educates the students regarding emerging trends in HR profession. The upcoming seven largest emerging HR trends will be

- ✓ Labour market communication and employer branding. this HR theme was in second place in last year and is expected to be in first place in this year end.
- ✓ Employee experience .A next important HR trend is employee experience
- ✓ Artificial intelligence
- ✓ Autonomy to employees
- ✓ Investing in talent
- ✓ Remote staff
- ✓ Employee engagement.

These seven key points that have been shared by Mrs. Bonika as these are the recent trends in HR.

Eventually in addition to the above qualities of a leader that has been shared by students the guest speaker Mrs. Bonika also sum up few essential qualities like

- ✓ Leaders should looks problem as an opportunity
- ✓ Vision – perspective –focus
- ✓ Communication should be
 - Clear
 - Crisp
 - Confidence
 - Continuous basis.
- ✓ Tasks should be assigned based on the capability of an individual
- ✓ Learn ability:
 - Unlearn
 - Learn
 - Relearn

CONCLUSION:

This was an eye opening session for the students and the whole session was more interactive. This was a wonderful opportunities for the students to explore more skills and qualities of a leader. Triangle making activity involves the students to work with group .this enhance group work and team building among students. It helps to develop cooperation and coordination between each one of the student. Guest speaker Mrs. Bonika smoothly handled the session till end with an expected flow. Over all it was an mind blowing session for msw students .finally the session ends by giving vote of thanks to the guest speaker Mrs. Bonicka Saraswathi.

Name of the Event: Introduction to Big data Analytics.

Date: 04 October 2019

Venue: Seminar Hall

Organizers: PG Department of Computer Science

No. of Student Participants: 52(I & II MSc CS)

Resource Person: MS:PRIYADHARSHINI, Data Scientist, *Indium* Software.

Report:

Objective of the Seminar was to facilitate the participants to get cognizance of the concepts of big data and Hadoop. The session started at 9:00 am by welcoming the resource person MS.PRIYADHARSHINI.

The seminar provided us an insight about big data and related technologies. Initially the seminar was started with basics about big data and discussed related topics. The topics of the Seminar were used currently in the industries. The first session introduced the students to the basics of Data Analytics and the second session comprised of implementation of big data using Python.

The Seminar comprised of active participation of students. The Students enthusiastically indulged themselves in interacting with the resource person. The PPTs were presented with live demo of codes. The resource person extended appreciations for the same and recommendations were made when needed.

Name of the Event: Seminar on MySQL.

Date: 5th October 2019.

Venue: MCA Lab.

Organizers: PG Department of Computer Science

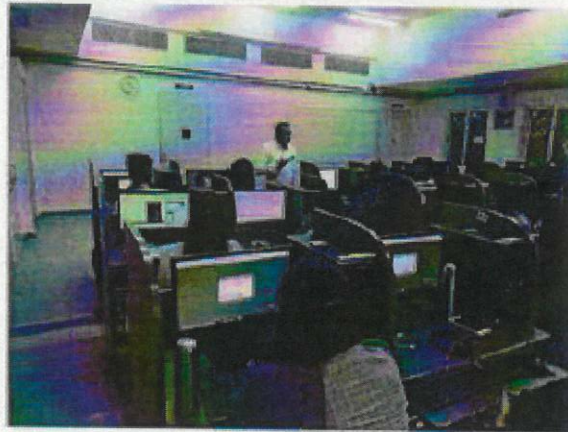

No. of Student Participants: 52(II MSc CS & II MSc IT)

Resource Persons: Mr. Hemanth & co

Report:

Objective of the Workshop was to facilitate the participants to get familiar with the concepts of MySQL along with hands on session for the knowledge gain for PG projects and research work. The session started at 9:00 am by welcoming the resource persons.

The Workshop started with interactive hands on sessions in **MySQL** and its basic command operations, the students moved on with keen interest in the topic and the enthusiasm with its exposure through Interactive lecture sessions. The lecture videos had good multimedia content to help students grasp the material easily, hence providing a good platform to learn and work on individually. And good Career guidance by experienced faculty was also given. The workshop comprised of active participation of students. The resource person extended appreciations for the same and recommendations were made when needed.

LEAN SIX SIGMA –GREEN BELT

Duration: 4 Days (6th, 7th, 10th &12th December 2019)

Resource Person/ Trainer: Mr. Ramdas Menon

Organisation: Ekaagra Solutions, Chennai

The Lean Six Sigma certification is offered to the students as it is a disciplined, statistical-based, data-driven approach and continuous improvement methodology for eliminating defects in a product, process or service. It is a popular Total quality management practice in the industry and since the students have a paper on TQM, this certification course would add value to their profile.

Objective:

1. Understanding of the concepts, implementation & objectives of Lean Six Sigma.
2. Ability to use a structured approach to process improvement and DMAIC (Define, Measure, Analyze, Implement and Control) methodology.
3. Skill to predict, prevent and control defects in a process with the help of statistics
4. Understanding of the tools of process discovery, elements of waste.
5. Skills to reduce variation and achieve sustainable quality improvement through process improvement.

Course Content:

- 1. Organization Wide Deployment of Six Sigma and the DMAIC Method**
- 2. Project Selection and Metrics**
- 3. Project Charter and Process Mapping**
- 4. Voice of Customer (VOC) and Quality Function Deployment (QFD)**

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

5. Process Mapping: SIPOC, Flow Charts and Swim Lanes
6. Graphical representation of data – boxplots, histograms and scatter diagrams
7. Basic Probability and Statistics – Central Tendency and Dispersion
8. Gage Repeatability and Reproducibility (GRR) for continuous data
9. Attribute Repeatability and Reproducibility (ARR) for discrete data
10. Root Cause Analysis (RCA)
11. Distributions: Binomial, Poisson, Normal and Student's t
12. Sampling Distributions and Confidence Intervals
13. Process Capability
14. Hypothesis testing for stability, shape, location and spread of data. This will include run charts, normality, t-tests (1, 2 and paired samples), tests for variance, ANOVA and Chi-squared
15. Correlation and Simple Linear Regression
16. Solution Generation and Evaluation
17. Experimental Design (DOE)
18. Failure Modes and Effects Analysis (FMEA)
19. Basic ideas of Lean such as Value Stream Mapping, The Seven Wastes, Takt Time, 5S

PRINCIPAL

Vaishnav College
Arumbakkam, Chennai - 600106.

20. Process Control Systems

21. Control Charts

Trainer Profile:

Mr. Ramdas Menon, Managing Partner-Ekaagra Solutions, Chennai.

BRIEF PROFILE AND CERTIFICATIONS

1. M.Tech. in chemical engg from IIT-M in 1990, B.Chem. Engg from Jadavpur University, Calcutta in 1988 and MBA (distance learning) in HR from ICFAI
2. 9 yr in consulting and 18 yr corporate experience in M.N. Dastur & Co, General Electric (GE), TVS Electronics (TVS-E) and Pfizer
3. Senior Member of the American Society for Quality (ASQ) since Jul 2006
4. Certified Six Sigma Black Belt from ASQ in October 2004 and Certified Reliability Engineer also from ASQ in March 2012
5. Green Belt from General Electric (GE), March 2002 6. Published a paper on Experimental Design at the ASQ India Conference at Ahmedabad, Nov 14

TRAINING: RECEIVED AND DELIVERED

Received:

BLI...

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

1. Six Sigma DMAIC and DFSS, Advanced DOE from GE – 2001
2. Reliability training at TVS-E – 2005
3. Project Management in TVS-E – 2005
4. LSS Black Belt training in Pfizer, Dublin – 2008
5. Game Theory, Linear and Dynamic Programming in Pfizer – 2008
6. Minitab Refresher course in 2009

Outcome:

- The students have understood the basics of Lean Six Sigma and Total Quality Management practices in industries.
- The students can explain the DMAIC improvement cycle.
- The students are aware of the benefits of using LSS in organizations and its impact on revenue.
- The students can differentiate between Lean Manufacturing and Six Sigma and also point out the similarities.
- The students have learnt to organize data, analyze and interpret it to

Event: Seminar on Community Development

Date: 12-12-2019

Venue: Dwaraka Auditorium

Organizer: Department of Sociology, D G Vaishnav College.

Resource Person: Mr . Moses Selvakumar, Mr.Sudharson & Mr. V. Gajendran. No.of

Staff Participants: 5

No.of Students: 320

Report:

The seminar took place in the Dwaraka auditorium in the premises of DG Vaishnav college. The seminar was conducted in 3 sessions. The seminar began with the introduction which was given by a first year sociology student Yeshwanti who continued hosting the rest of the sessions. After the introduction the crowd stood for Tamil thai vazhte and prayer song which was sung by Lavanya a first year sociology student. The welcome address was given which was taken up by a first year sociology student Mahakarthish. After then the Department head of sociology presented a memento to the first chief guest Mr.V.Mose Selvakumar(assistant professors PG department of Development Management).He continued the seminar with his presentation. He emphasized the literal meaning of community Development and explained the basic concepts involved in the same. Community is group of members who are interdependent in a symbiotic environment. He pinpointed on caste marriages and their influence in community, types of communities and types of factors for community development. His presentation was lively with the real life examples and informative. After the tea break the 2nd session started with the giving of memento's to the other two chief guests which was followed by their presentation. Mr.R.G.Sudharshan(assistant professor PG Department of development management) presented on community Development models. The third session started quite after the second session. The third session was presented by Mr.V.Gajendran(assistant professor PG Department of development management).His presentation was on community Development methods and tools. After the sessions certificates for the participants were given through students head by Mr.Syed Ahmed assistant professor sociology department. Vote of thanks was later proposed by a third year sociology student Ms.M.Deepthikala. The seminar ended with the tribute of respect towards the country by

PRINCIPAL

Kumbakkam, Chennai - 600100

standing for the national anthem. Overall the students highlighted with Inclusion and sustainability Types of approaches : -Technical assistance - gives tasks and plays roles - Conflict approach - organiser , community capacity building -Self help approach - encourages people in community to work together Methods of community organisation: -Locality building model -Social planning -Social actions Methods : - rapid rural appraisal (fairly quick and clean) Tools - existing information - local researchers - direct observation - group interviews - key indicators - global interview- Participatory rural appraisal Developing peoples participation policies, Researchers are activist or facilitators here, Also known as Participatory learning and action. Tools: - Maps used for introductory activities which allow community to show and talk about how they see the area. - Transects walks involve walking across an area with a community member for better understanding - Timeline records changes in a community which records important historical happenings - Venn diagrams establishes relationships between members and indicates where they are linked Problem tree helps to analyse problems in society Ranking for priority lists

Outcomes of the Event:

- Students learn to study people and their concerns to understand the society in a better manner.
- Students realised that Importance to what we do for society
- Students are aware in classifying the communities, known the different approaches and tools to study the communities.

Schedule VII corporate social responsibility under section 135. CSR is a gesture of showing the company's concern and commitment towards society's Sustainability and development.

My Social Responsibility –MSR

Corporate or my Responsibility

The target area of corporate social responsibility is a gesture of showing the company's concern and commitment towards society's development. Result of the CSR should increase the Reputation in the society.

Analysis - When,where,how,what?

Committee -Getting different sort of Ideas

Priorities- list of importance

Execution:

Step: 1-Selection of employees from the same community.

Step: 2- Organizations been part of the program can be selected from the society that in need of improvement. For example: Schools, Orphanages, Hospitals, Rehabilitation centers and so on.

Step: 3 By provoking the employee participation by engaging them with the ownership on the organization.

Case study explained by the trainer:

The organization with the number of miscreant employees cannot perform to the expectations of the employer thus they needed to be engaged with their family members to help the vulnerable community thus they get provoked to get the sense of responsibility.

Give to the Union Members

Trade Union will be part of the CSR activities if they were provoked in the right direction.

Benefits of this Technique:

1. They will interact with the local people without any Hesitation.
2. Good interaction between the community and the employee.
3. Better understanding could be developed.
4. Best output could be fetched from the employee ownership.

OUTCOME OF THE PROGRAM:

The students were highlighted on the below CSR vision so that keeping this on mind CSR activities could be initiated.

1. Charity and Philanthropic

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

2. Societal Focus
3. Change agent
4. Sustainability- Year wise Monitoring
5. Success Indicators
6. Focus Area.

The focus area of the CSR program can be Women Empowerment, addressing the Environmental issues, Community development etc.

Name of the Event: Airport Operations and Layout

Date: 03Jan2020,

Venue: Vallabhacharya Auditorium, DGVC

Resource Person: Mr. Prabhu (Corporate and Soft Skills Trainer)

Organizers: Department of Tourism and Travel Management, DGVC

No. of staff participants: 3

No. of student participants: 54

Detailed report of the program:

Report Outline:

- **Airport and its Types**
- **Airport Layout**
- **Components of an airport**
- **Airports and the growing economy**
- **Aviation Regulatory Bodies**
- **Types of Ground Handling Operations**
- **Future trends in Airports**
- **Careers in Airports and Airport Operations**
- **A brief on GMR Airport , Hyderabad**

1) **Report Summary:** Mr. Prabhu (Corporate and Soft Skills Trainer) conducted a lecture on Airport Operations and the growing need for world class airports to boost tourism. The three hour lecture focused on airport layout, structure and features. The session was interesting as we learnt about various facets of the airport which they were previously unaware of. Mr.Prabhu also discussed about the job and career opportunities available in Civil Aviation. The documentary on the new Hyderabad GMR airport gave us a better understanding on airport operations and functioning.

2) **Airport – Types of airports:**

An Airport is a facility where passengers connect from ground transportation to air transportation.

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Velupillai Prabhakaran College
Arumbakkam, Chennai - 600106.

2.1 Types of Airports:

- International airports
- Domestic Airports
- Regional airports
- Airfields
- Aerodromes

2.2 Difference between a Green Field Airport and a Brown field Airport:

- A Green Field airport is a new airport which is constructed on an undeveloped site. Example : The GMR Airport in Hyderabad
- Brown field airports are the ones that are modified or upgraded as necessary. Example: The Chennai Airport, Delhi IGI.

3) Role of Airports/its economic impact/Tourism Impact:

Airport infrastructure, which is a vital component of the overall transportation network, contributes directly to a country's international competitiveness and the flow of foreign investment

- An airport is a gateway to a city. If the airport works, it becomes easy and pleasurable to visit the metropolis for business or pleasure. A city's airport is a first impression — and a last impression that a visitor carries.
- Airports allow global companies to establish operations in multiple cities and have managers and executives travel seamlessly between locations.
- The importance of airports as global business hubs is now being recognized globally. In some parts of the world, entire cities or at least fully-functioning suburbs (with office space, industrial buildings, and residential and retail districts) are being built around airports.

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

- From a tourism perspective, places with airports especially good airports attract visitors and promotes both leisure travel and MICE.

4) **Airport Structure and Layout:** Basically the structure of any airport is designed as Airside and Landside

- The landside of an airport includes parking lots, public transport, railway stations and access roads. This is that part which is accessible to the general public.
- The airside of an airport refers to the part of an airport used by the aircraft for takeoffs and landings and loading and unloading. This is the area beyond security check, customs and is strictly guarded by the airport authorities.

5) **Components of an Airport :**

- Runway:** A runway is the area where an aircraft lands or takes off. It can be grass or any hard surface such as asphalt or concrete. Runways have special markings on them to help a pilot in the air to tell that it is a runway and for landing purposes.
- Terminal Buildings:** Also known as airport terminal, these are the spaces where passengers board or alight from flights. These buildings house all the necessary facilities for passengers to check in their luggage, clear the customs and have lounges to wait before boarding.
- Aprons:** These are the areas where the aircraft park. These are also called ramps. They vary in size from areas that may hold five to ten planes, to very large areas.
- Taxiway:** This is the path on an airport connecting runways with ramps, hangars, terminals and other facilities. They mostly have hard surfaces.
- Aircraft Stand:** A portion of an apron is designated as a taxiway and intended to provide access to aircraft stands only.
- Control Tower:** Here air traffic is controlled and observed by radar.
- Parking:** This is the area where vehicles park.

6) **Regulatory Bodies :**

6.1 The Airport Authority of India (AAI)

PRINCIPAL
 Dwaraka Doss Goverdhan Doss
 Vaishnav College
 Arumbakkam, Chennai - 600106.

It is the AAI that manages 125 airports which includes 18 international airports, 7 customs airports and 78 Domestic airports in India. Its main functions include construction, modification and management of passenger terminals, development and management of cargo terminals and improvement in all airport infrastructure. Airport security also comes under AAI.

6.2 The International Civil Aviation Association (ICAO)

The ICAO aims to foster the planning and development of international air transport to ensure safe growth of civil aviation around the world and encourage the art of aircraft design and operations for peaceful purposes and encourage development of airways and airports.

7) **Air Traffic Control (ATC):** Air traffic control (ATC) is a service provided by ground-based controllers who direct aircraft on the ground and through controlled airspace, and can provide advisory services to aircraft in non-controlled airspace.

- Air Traffic services help in navigating aircraft while landing, take off, flying in the air, over flying any country, taxing on the ground and parking
- They provide a discipline in the air and also on the ground and maintain safety.
- The services are provided by using modern equipment including radars.

8) **A Brief on the Rajiv Gandhi International Airport, Hyderabad**

- The Rajiv Gandhi International Airport (RGIA) has been adjudged as the third best Airport in the world in the 5-15 MPA categories in Airport Service Quality by Council International (ACI).
- The Hyderabad Airport, led by GMR Group, has been ranked ahead of global contenders like Abu Dhabi, Adelaide, Geneva, Cape Town, Hamburg and London Luton Airports.
- RGI Airport had won the "Best Airport India" by Skytrax - the award based on the votes of more than 9.8 million travelers from over 100 different countries.

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

- The current honor bestowed upon RGIA adds another feather to its cap. Recently, the airport also received the SATTE Award for "Best Performing Domestic airport.
- RGIA boasts of an initial capacity of 12 million passengers per annum (MPPA) and 100,000 tons of cargo handling capacity per annum.

9) **Ground Handling Services in Airports:** Ground handling services include all the services an aircraft needs during the period it remains on the airport ground. Only experienced and professional team of ground handlers can provide a good and reliable service for this operation.

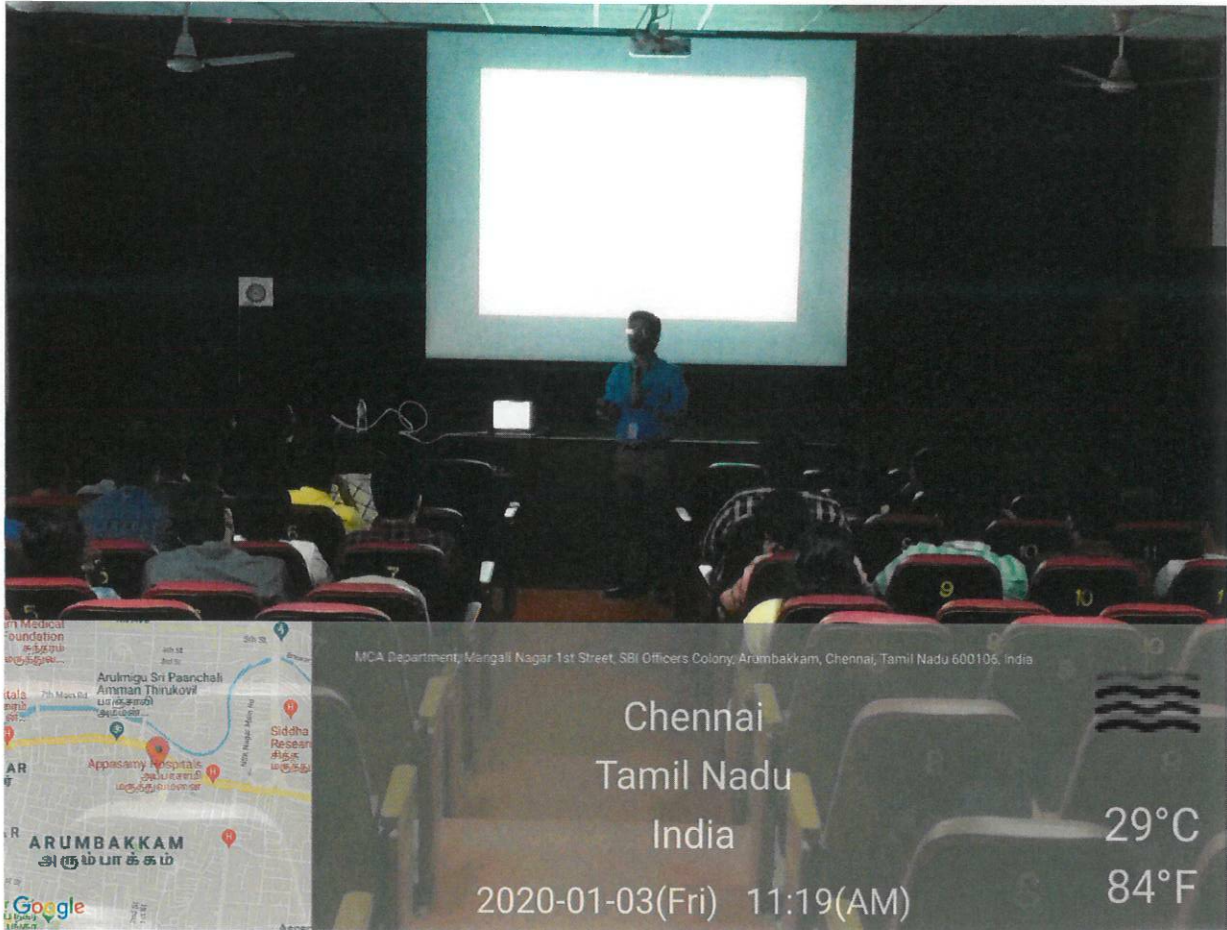

- a) Passenger Handling Services
- b) Ramp Services
- c) Load Control and Flight Operations
- d) Cargo and Mail Services
- e) Security Services
- f) Support Services

10) **Scope and Career Opportunities in the Airline and Airport Industry :**

- Flight Attendant Jobs
- Airline Administrative Staff
- Operations Agent
- Air Traffic Control
- Flight Dispatcher
- Ground/ Airport Station Attendant
- Passenger Service Agent
- Reservation Sales Agent
- Airline Flight Instructor
- Security

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

11) **Concluding Words:** The guest lecture by Mr.Prabhu, gave us a better understanding of the many functions of an airport, its features, structure etc. The lecturer conducted the class with audio visuals which made it interesting, easier to understand and relate better.

No. of staff participants: 2

No. of student participants: 100

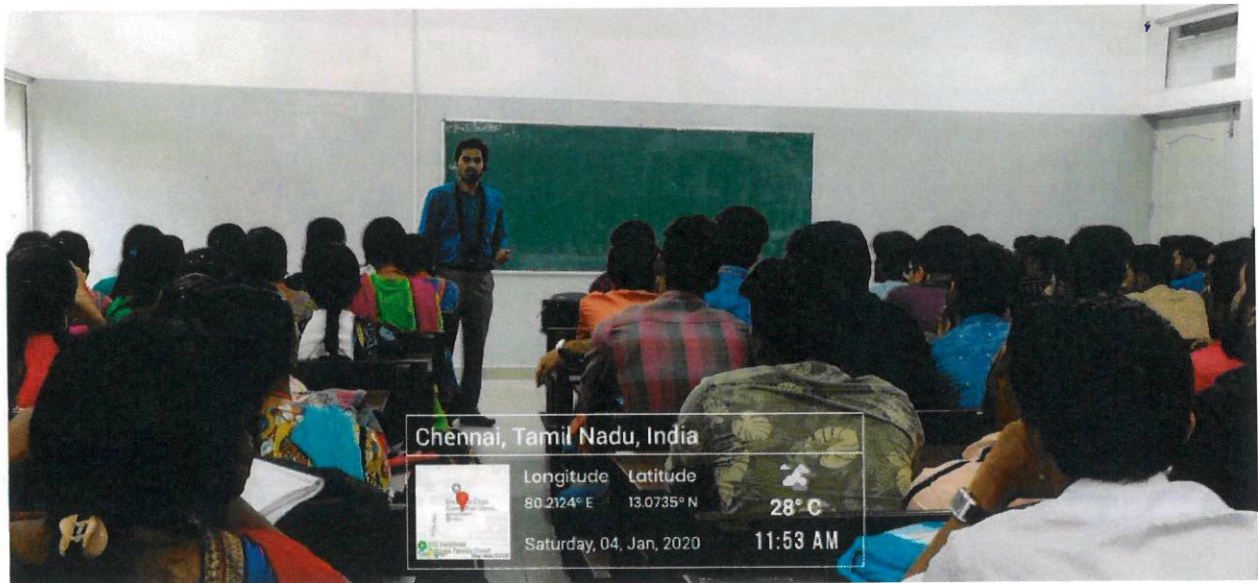

Detailed report of the Programme:

The Department of Accounting & Finance organized a guest lecture on ‘Introduction to basic concepts of GST’ on 4th January 2020 in a Class room (BG2), Ganga Block. The third year students (2017-2020 Batch) attended the seminar on selected topic that is part of their syllabi, which would have enhanced the knowledge with regard to GST. The resource person Mr. CA Srinivasan . J professional and a practicing chartered accountant is an invited guest speaker in various institutions, delivered a brief lecture on basic concepts in GST such as GST frame work, technical terms in GST and its benefits to companies as well as consumers.

Outcomes of the event/Programme:

The students benefited with the professional exposure on the topic GST which would enable them to apply this knowledge in filing of GST.

Department of Computer Science (BSC)

Event Report For Seminar on INTERNET AND SECURITY

On 10/01/2020, A beneficial and intuitive seminar session on **INTERNET AND SECURITY** was organized by the department of computer science at **SEMINAR HALL, KRISHNA BLOCK**. Seminars are an inherit part of the computer science department's culture. Repeatedly these seminars are organized for the benefit of the students.

The program started by offering prayers to the almighty, followed by the Welcome speech delivered by President of Transcode Forum. The Dean was generous to share his views on the topic of the day. The Dean felicitated the guest speaker with a memento as a token of love. The guest speaker was introduced to the gathering by Prof. B. Suresh by honouring his achievements in various fields and awards received.

The Seminar was chaired by **Mr.A.R.Sooriyaoli** in presence of Dean of the college, head of the department, faculty members and students.

Mr.A.R.Sooriyaoli started off the seminar by explaining how data centers feeds data to the websites and users through a presentation. An explanatory video was played on how the data packet travels through the network regardless of various geographical conditions.

He advised the students to be cautious about various scams like 911, Phishing, Harvest attacks, Malwares, Viruses and Spam bots. He also sparked interest in students on developing applications on Android studio. He provided vital information on many data breaching entities like Hackers, Key loggers, and Worms.

He gave a time travelling experience by screening a video on how the Internet worked back then when it was introduced. A question and answer was

PRINCIPAL

Report on Two day Photography Workshop

A two day photography workshop was organized by the Department of Visual Communication on 9th and 10th of January 2020, for the third year students who have opted AD Photography as their elective. The Workshop was conducted by Mr. K. L. Raja Posing, Founder and Director of Ambitions4 Photography, Chennai. He categorized the two day workshop into Travel Photography and Event Photography on Day 1 and Fashion Photography on Day 2.

On Day 1, after the inauguration, the morning session primarily focused on Travel Photography. The session involved ideas and techniques for effective travel photography. The workshop also focused on various photographic skills and innovative subjects for Travel Photography. Mr. K. L. Raja also showcased his travel photographs and he also highlighted the efforts and techniques for every of his photograph. Post lunch, the workshop primarily focused on Event Photography. In today's scenario where Event Photography is of the highest demand, he enriched the session on how to become a successful event photographer. He also mentioned that to be a successful photographer, one also needs client management skills in addition to photography skills. He showcased his event photographs to the students and the effective techniques to be adapted.

On Day 2, the workshop was solely on Fashion Photography. After his introduction of the basics of Fashion Photography, he organized an exclusive session on various studio lights and its usage. The lighting styles included Butterfly light, Rembrandt light, Short light, Broad light, Rim light, hi-key & low key lighting. He explained each of the lighting by modeling two of our students with different costume setups. At the end of the session, he also showcased his Fashion Photography works and the techniques that went behind in capturing it.

Both days of workshop gave a great platform for our students to have a hands-on experience on Advance photography. The students shared a very positive feedback about the Workshop and felt very motivated to take up the profession of Photography.

Event: National Seminar on Family in Contemporary Society Persistence and Changes

Date: 22-01-2020

Venue: Dwaraka Auditorium

Organizer: Department of Sociology, D G Vaishnav College.

Resource Person: Dr.G.Karunanithi & Dr.C.Venkatachalam

(Other Resource Persons: 6)

No.of Students: 320

Objective:

- 1. To impose the importance of family in contemporary society**
- 2. To find out the issues and changes happen in the family system.**
- 3. To understand the cause and consequences of family disorganization.**

Report:

The seminar took place in Dwaraka Auditorium in the premises of DG Vaishnav College. Students from other departments namely Tourism and Travel Management and Criminology from DG vaishnav college and students from department of sociology from other colleges namely MOP vaishnav college, Sri kanigaparamahwari, MMM Chennai were the active participants of the seminar. The inaugural session started with the prayer song which was sung by a first year student Lavanya continued by Tamil Thai vazhte. After the invocation momentos were given to the chief guest Dr.G.Karunanithi (former professor and head department of sociology Manonmaniam sundaranar university, Tirunelveli) and the guest of honour Dr.C.Venkatachalam (former professor and head department of sociology periyar university,salem) which was followed by the welcome address of Dr.C.Chidambaranathan (Assistant Professor and head department of sociology DG vaishnav college Chennai) and the introductory remark of Dr.I.Jenitta Mary(Assistant Professor Department of sociology DG vaishnav college Chennai).Dr.G.Karunanithi presented his inaugural address which emphasized the importance of the family in the present society. Dr.C.Venkatachalam gave the keynote address which was followed by the special address of Dr.J.Krishna Moorthy. Vote of thanks delivered by Mrs.S.Surya (Assistant Professor department of sociology DG vaishnav college Chennai). In session 1 & 2 students were enlightened by different speakers.

PRINCIPAL

Arumbakkam, Chennai - 600106.

Dr.N.Kanan(Former Professor And Head Department Of Sociology Manonmaniam Sundaranar University Tirunelveli) spoke about Reflection of divorce, remarriage and widowhood on children in family. Dr.Om Prakash (Assistant Professor Department Of Sociology, Christ University, Bangalore) spoke about social transformation and changing families in contemporary society.

The 2nd session started with the presentation of Dr.V.Sreemannarayana murty (Assistant Professor Department Of Sociology Anthra University,Vishakapatnam) on Religion, Moral, Ethnicity, culture and family which was followed by the presentation of Dr.C.Venkatachalam(Former Professor And Head Department Of Sociology Periyar University,Salem) on Family and Crime.

Dr.M.Tamilarasan (Associate Professor And Head Department Of Sociology University Of Madras , Chennai) was the special guest for the Valedictory session. Mr.Syed Azeez Ahmed (Assistant Professor Department Of Sociology DG Vaishnav College Chennai) gave the welcome address. Dr.M.Tamilarasan gave the valedictory address which was followed by the concluding remarks of Dr.I.Jenita Mary. Certificates for the participants were distributed by the chief guest. The vote of thanks for the national Seminar was given by Miss.Shalin.D (Assistant Professor Department Of Sociology DG Vaishnav College Chennai). The seminar came to an end with the tribute of respect to the national anthem.

Outcomes of the Event:

- Students came to know about the past and present family system.
- Students got enlightened with the data of family in developed and undeveloped countries.
- Students were aware about the importance of family.
- Students understood the impact of family disorganization on Children.
- Students got the information about the social transformation and changes in family.
- Students obtained the knowledge about the role of religion, culture and morals towards the family.
- Students acquired the interrelationship between family and crime.
- Students gathered the overall elements of family in the seminar.

Name of the Event: Guest Lecture on “IFRS, Accounting standards and practical exposure to corporate accounting”

Date: 22/01/2020

Venue: Class Room BG2, Ganga Block

Organizers: Department of Accounting & Finance

Resource Person: C.S.BALA LOGANATHAN

No. of staff participants: 2

No. of student participants: 74

Detailed report of the Programme:

The Department of Accounting & Finance organized a guest lecture on the topic “IFRS, Accounting standards and practical exposure to corporate accounting’ on 22nd January 2020 in a Class room (BG2), Ganga Block. Majorly second year students’ participation was much as compared to first and third year, since topic is part of their syllabi, which would have enriched the knowledge of students. The resource person Mr.C.S. Bala Loganathan is an eminent professor of finance and accounting for CA, CMA and other professional courses. He has vast knowledge working with corporate companies is an invited guest speaker in various institutions, insighted on IFRS, Accounting standards and gave practical exposure to corporate accounting by illustrating with examples and students also involved themselves in solving and giving solutions for the examples relating to IFRS and Accounting standards.

Outcomes of the event/Programme:

Students gained knowledge on IFRS and Accounting standards.

1. Name of the event: **Conservation and Sustainable Development**

Date: 30.1.2020

Venue: Audio-Video Room, 3rd floor, Ganga Block, DGVC

Resource Person: Mr. Bharathi Kannan, Environment Activist

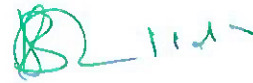

Organisers: Department of BA Journalism

No of Staff Participants: 2

No of Students Participants: 16

Mr. Bharathi Kannan, an environmental activist and the founder of *Agathi*, enlightened the students about the importance of conservation and the ways to lead sustainable living which is a pertinent topic of this time. The speech made the students realise the importance of natural resources and how it should be conserved to maintain ecological balance and save them for future generations.

Outcome of the Program: As a budding Journalist they knew the significance of Environmental reporting and the scope of this area. The speech provoked the concept of sustainable living and gave ideas to make small changes in our life style.

Report of the programme:

The department of Biotechnology organized a National Symposium on “Recent Headway in biotechnology, RHBT - 2020” on 05.02.2020 at 10 a.m. in the Dwaraka auditorium. The program started with the college prayer and devotional song followed by Lighting of Kuthuvilakku. The Welcome address was given by Dr. R. Uma, Head, Department of Biotechnology followed by the Inaugural address given by Dr. R. Ganesan, Principal, DG Vaishnav College.

The Key Note address was given by the Guest of Honor, Dr. S. Elumalai, Professor and Head, Department of Biotechnology, University of Madras, Chennai. He covered various aspects of biotechnology right from microorganisms to metagenomics.

The Chief guest of the program, Dr. Joseph selvin, Professor and Coordinator, Department of Microbiology, Pondicherry University, Pondicherry delivered gave an introduction to biotechnology and about his talk. It was followed by Inagural welcome address given by Dr. R. Ashwini, Assistant Professor, Department of Biotechnology which was followed by a tea break

After tea break, the first plenary session was started with a lecture on “Towards Synthetic Life” given by **Dr. Joseph selvin**, Professor and Coordinator, Department of Microbiology, Pondicherry University, Pondicherry. He described about the microbiome that lives within human. He interestingly explained the importance of microbiome and how it gets altered with the daily life activities. He also gave a detailed description on Metagenomics in which the entire sample can be used to determine all living organisms present in it. Finally he introduced the august audience with Designer baby technology and artificial womb. His complete lecture was enlightening the gathering with advanced and future technologies of biotechnology.

His lecture was followed by Plenary session II given by **Dr. S. Kavitha**, Cofounder and CEO, FIB Solutions, Chennai. She delivered a lecture on the topic “**New age technologies in agriculture and role of biotechnological research**”. She explained about the new age technology to be implemented in the field of agriculture such as nano fibre technology and tissue membrane fertilizer. She also made the gathering understood how an entrepreneur think to become one and successful. Her lecture was followed by Lunch.

The afternoon session begun with the Plenary session III given by **Dr. Mukesh Doble**, Professor, Department of Biotechnology, IIT Madras, Chennai. He delivered a lecture on the topic “Polymer as medical biomaterials” in which he gave a detailed application of biopolymers as biomedical agents. His lecture was followed up with the e – poster presentations.

21 e – posters were selected among the abstracts received from various colleges and the e – poster presentations was held at two sessions. The first session was held at Dwaraka

Arumbakkam, Chennai - 600106.

Auditorium for which Dr. B. Thendral Hepsibha, Assistant Professor, Department of Biochemistry, Ethiraj College served as Judge and for the session 2, Dr. M.D. Balakumaran and Dr. P. Amali, Assistant Professors, Department of Biotechnology, DG Vaishnav College served as judges. Based on novelty of the work and performance, the presentations have been validated and awarded with two prizes for each session.

The winners of the e – poster presentations are tabulated below:

1. Session I:

Prize	Name of the students	Department	College
I	S. Vinodhini	Biotechnology	Sri Sankara Arts and Science College
II	Divya	Biotechnology	BS Abdur Rahman Crescent College

2. Session II:

Prize	Name of the students	Department	College
I	Dhanya S	Biotechnology	VISTAS
II	Rajalakshmi	Biotechnology	Stella Maris College

The e – poster presentation was followed by Valedictory function in which Valedictory address was given by Dr. S. Nianjali Devaraj, Professor and Head (Rtd), Department of Biochemistry, University of Madras, Chennai. She explained the modern technologies and how to handle it with ethics. It was followed by summarization of the event by Dr. R. Ashwini, Assistant Professor, Department of Biotechnology and Vote of Thanks was given by Ms. S. Uma, Assistant Professor, Department of Biotechnology. The event was completed with a National Anthem.

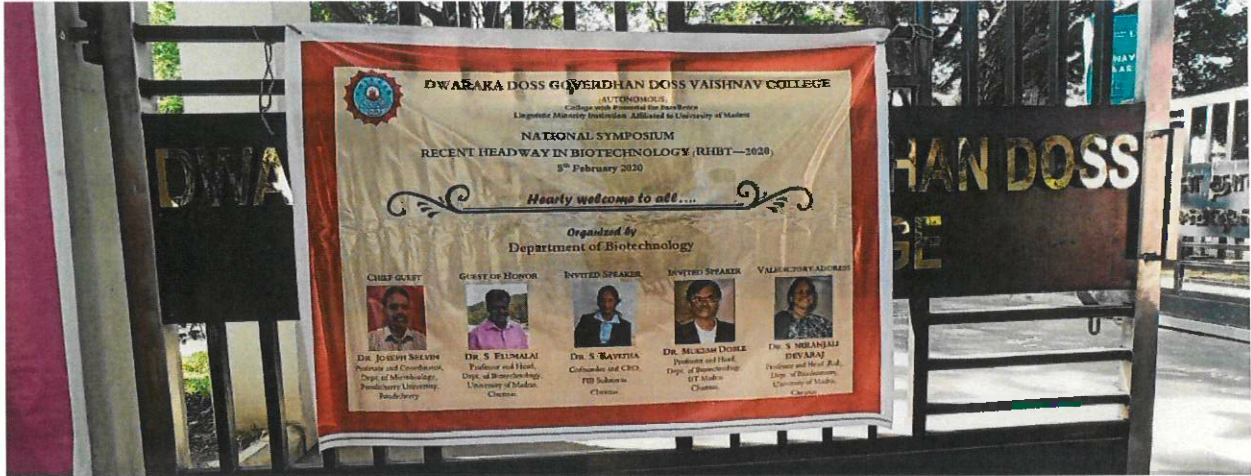

Outcomes of the event:

The response received from the other colleges was overwhelming and the knowledge in recent trends of biotechnology has been well given by the speakers to the gathering.

Report on Online Webinar on "Bacterial Quorum sensing and its implications in Bioremediation" - May 22, 2020

Event name : Online Webinar
Topic : Bacterial Quorum sensing and its implications in Bioremediation
Date : May 22, 2020
Time : 04:00 to 05:00 PM
Venue : Cisco Webex
Organizers : Department of Biotechnology, D.G. Vaishnav College
Resource person: Dr. W. Jabez Osborne M.Sc., Ph. D.,
Assistant Professor, Department of Biosciences,
School of Biosciences and Technology,
VIT University, Vellore.
No. of Registered candidates: 419 (Faculty: 123, Students: 267, Research Scholars: 29)
No. of total participants: 105
No. of Staff participants: 55
No. of Student participants: 50

Detailed Report of the Program:

The Department of Biotechnology organized a Webinar on 22.05.2020 at 4.00 p.m. The webinar session was scheduled in Cisco Webex. Though there were 419 registrants, only the first 105 members who joined the session on time were able to participate as Cisco webex allows very limited participants. The session started with the inaugural address of Dr. R. Ganesan, Principal, D.G.Vaishnav College, followed by the welcome address by Dr.R.Uma, Head, Department of Biotechnology, D.G.Vaishnav College.

Dr. W. Jabez Osborne M.Sc., Ph. D., Assistant Professor (Senior), Department of Biosciences, School of Biosciences and Technology, VIT University, Vellore, delivered a talk on

"Bacterial Quorum sensing and its implications in Bioremediation". He started with an introduction of bacterial quorum sensing and explained the mechanism of quorum sensing and biofilm formation. He gave an insight into phyto and rhizo remediation of toxic compounds as an implication of bacterial quorum sensing. He also included informative snaps and ideas on bioluminescence and pesticide degradation. In the interactive session, the questions posted by the participants in the chat box was read out by Dr.P.Amali, Assistant Professor, Biotechnology, D.G.Vaishnav College and answered vividly by the guest Dr.Jabez. The session ended with vote of thanks by Dr.Pavithra M, Biotechnology, D.G.Vaishnav College. The link for the feedback forms was provided on the screen as well as the chatbox for the participants. Ms. G.Shoba, Faculty, Biotechnology, D.G.Vaishnav College scheduled the E-certificates which were sent through email for the participants who filled the feedback forms.

Outcome of the event:

The participants were highly inspired by his knowledge and vivid communication, which carried the session interesting and informative. This session had thrown light on the research in bacterial quorum sensing and its implications in phyto and rhizo remediation. Feedback from participants of various institutions has highlighted the success of this event in sharing knowledge through eminent speakers.

INTERNATIONAL WEBINAR ON FRAGILE-X SYNDROME- MYTHS & FACTS OF EC MATRIX OF BRAIN

Event: International webinar on Fragile-x syndrome- myths & facts of EC matrix of brain.

Platform: Google meet & YouTube live.

Date: 23rd May 2020

Day: Saturday

Time: 4:00 p.m – 5:30 p.m

Organizers: Neuberger crew, PG & Research Dept. of Biochemistry, DG Vaishnav College.

Resource person/ Invited speaker :Dr. Venkat Raghavan Krishnaswamy.

Postdoctoral Research Fellow,

IritSagi lab,

Weizmann Institute of Science,

Rehovot Area, Israel.

Number of participants (National & International) : 689

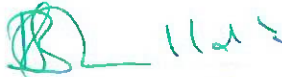

Countries: United States, Malaysia.

Report :

"PG & Research Dept. of Biochemistry - Neuberger crew, D.G Vaishnav College, Arumbakkam " organized an **International webinar** on Fragile-x syndrome- myths & facts of EC matrix of brain on 23rd May 2020 via the Google meet and YouTube live platforms. The webinar started at 04:00 p.m. The session started with the introduction of the speaker. Dr. Venkat completed his master's degree at the Dept. of Biochemistry, D.G Vaishnav college (Alumni), went on to pursue his Doctor of Philosophy (Ph.D) at CLRI, Chennai. Now, currently a Postdoctoral Research fellow at Weizmann Institute of Science, Israel. He talked about the Extracellular matrix (ECM), what it is composed of and its important functions. He talked about, skin- as the largest organ, role of dermatopontin in re-epithelialization; a key event in wound healing and any impairment that is associated with various pathological conditions, immunolocalization of dermatopontin in skin. He delivered a brief description about angiogenesis, its location (where it occurs) and its vital role in wound healing process. He also very well explained about the assays viz, scratch wound assay, tube formation assay, chick aortic arch assay. Then, went on to explain about the extracellular matrix of the brain, Fragile - X Syndrome - leading cause for autism, social interaction and social novelty analyses, synaptosomes (to study neuronal proteins), how to identify substrates etc. He mentioned the process of - reprogramming fibroblasts to induced pluripotent stem cells. In the end, he summarized his entire lecture. The participants came up with amazing questions which were dutifully clarified by the speaker Dr. Venkat Raghavan Krishnaswamy. Later, the feedback-form link was sent to the participants, enabling them to receive an e- certificate for their active participation in the international webinar. The webinar ended by 5:30 p.m. The webinar session was highly admired.

Outcomes of the event :

- Deeper understanding of body organs, myths & facts of extracellular matrix of brain and its vital role.**
- Information, knowledge and learning about fragile-x-syndrome, how it is different from the down's syndrome, role of dermatopontin, expression and integrity of dermatopontin in chronic cutaneous wounds.**

Topic:

Webinar on

Resource Person:

Mr. M. Kailasagiri – Assistant General Manager HR (Tube investments of India LTD Murugappa Group)

INTAKE:

Definition: Organizational Development

Mr. M. Kailasagiri started the session with the definition of organizational development "Organizational Development refers to a long-range effort to improve an organization's **problem solving capabilities** and its ability to **cope with changes** in its external environment with the help of external or internal behavioral-scientist consultants." **Interventions** are sets of structured activities in which selected organizational units engage in a series of tasks which will lead to organizational improvement. The intervention

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

is the procedure the Organizational Development consultant uses, after diagnosing an organizational situation and providing feedback to management, to address an organization problem or positive future. It is the function of the HR to make sure there is improvement from one level to another by having **structured milestones** and **effective monitoring systems**.

Types of OD Interventions:

- Strategy for Business
- Process OD
- Human Resource OD

Strategy for Business growth is basically divided into Organic and Inorganic business growth. **Organic growth** is the growth a company achieves by increasing output and enhancing sales internally. **Inorganic growth** arises from mergers or takeovers rather than an increase in the company's own business activity

Process OD processes a number of tools namely **Total quality management, Toyota production system, Six Sigma, Total employee involvement, and Total productive maintenance**. It is highly essential for the employee to understand the requirement and the production process in case of a **manufacturing company**. In order to improve the process from one level to another the company must understand what they want first. As the future HR's it is highly essential to be thorough about two **basic OD techniques** in order to help the employees and make them understand in a better manner.

Human Resource OD Interventions:

Mr. M. Kailasagiri explained three OD interventions:-

Performance Management System

It consists of two components SMART GOAL and MANAGEMENT BY OBJECTIVES. A Smart goal is used to help guide goal setting. Management by objective attempts to align personal goals with business strategy through increased communication and shared perception between managers and subordinates.

Mr.M.Kailasagiri also explained about how Performance Management System will be effective and useful. He also explained about the Key results area that should be done in a smart way. It should be realistic and achievable

Training and Development

Changing the skills and knowledge of organization members to improve effectiveness and build capabilities. Mr.M.Kailasagiri said that the HR should know the skills required to perform the job and assess the employees capability and then give training. Skill Matrix is a visual tool that shows the task and skills required for specific roles and the current competency and skill level of each employee for each task mapped against the required competency or skill level. Mr.M.Kailasagiri also explained about the types of Development plans.

Competency Development Plan-

It identifies competency proficiency strength and gaps. The plan is designed to work on activities in order to leverage strength and develop in areas where employees are not as strong.

PRINCIPAL

Dwaraka Doss Goverdhan Doss

Vel. hnav College

Arumbakkam, Chennai - 600106.

Individual Development-

It is a tool to assist employees in career and personal development. Its primary purpose is

PRINCIPAL
Dwaraka Doss Govardhan Doss
Vaishnav College
Arumbakkam, Chennai - 600106.

to help employer reach short and long term career goals, as well as improve current job performance.

HR OD Interventions: -

Mr.M.Kailasagiri explained three Interventions and how they are coordinated with Organisational Development.

Hi Pots Development Process

There are three stages in Hi Pots development process –

- 1) Approach Stage
- 2) Deployment Stage
- 3) Results Stage

Career Pathing

There are three steps in career pathing

- 1) Aspiration 2) Assessment 3) Achievement

Critical Position and Succession Planning

There are three process- Identification of Critical Position

Validation with Functional Heads and finalize Critical Position Validate using CEB tool- Critically and Retention Outlook.

Question and Answer:

- 1) **How to get a better understanding of on-the job training?**

A: On-the job can be understood better only by getting experience over a period and through experiential learning.

- 2) **What is the difference between individual and collective plan goals from the training perspective?**

A: In order to achieve organizational development, one must understand the employee completely. When everyone in the organization knows and understands it results in group development

- 3) **Does talking to individual employees essential?**

A: It is fundamentally correct to take individual opinions from the employees of the organization and it results in self-assessment. It results in a better difference.

- 4) **Difference between Skill mapping and Competency mapping**

A: Generally, Skill mapping is done for the blue-collar workers and competency mapping is done for the white-collar workers. But they may vary as it depends on one company to another.

- 5) **Do we need to know all the tools of OD?**

A: It is not compulsory to know all the tools of OD, but one must be aware of the tools for better understanding of the employees which will lead to Organizational Development.

- 6) **Which is the most important element in HR subject-wise?**

PRINCIPAL
Dwaraka Doss Govardhan Doss
Vaidyanath College
Arumbakkam, Chennai - 600106.

A: In terms of the subject, one must have a clear understanding in OD paper in order to become a good HR and in terms of a HR professional, he should be available for the management to implement change, and also play link-pin role in order to help employees better.

7) How does Competency Mapping work?

A: An individual must sit with the functional heads to find out the key competencies and also must map the subsets such as selecting source evaluating them, interviewing the candidate etc.

8) Why is communication so important

A: India is a diverse nation which consists varied cultures and languages. But English is a language which unifies all as one, so it is essential to know the English language to communicate better

9) What can the Organization do to motivate them on a longer run?

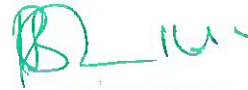

A: Fun activities like organizing birthday parties is not engagement process. It cannot retain the employees for a long run.

10) How often should a company give promotions or hike for an employee's?

A: Promotions should be given only when an individual is ready to handle higher role.

Panel discussion on **Sustaining in turbulent times –A Hr's Perspective**

Webinar on 30-05-2020 at 11.am

Dwaraka Doss Goverdhan Doss Vaishnav College
(Autonomous)
COLLEGE WITH POTENTIAL FOR EXCELLENCE

P.G. DEPARTMENT OF
HUMAN RESOURCE MANAGEMENT

A PANEL DISCUSSION
ON
SUSTAINING IN TURBULENT TIMES
-A HR'S PERSPECTIVE

The main objective would be:

- Experiences with different sectors
- How young talents can upskill and be ready to face the challenges
- How to sustain in the field during such an economic downturn

DATE: 30TH, MAY 2020, SATURDAY
TIME: 11.00 AM - 12 NOON

PANEL DISCUSSION Team

MEMBERS

- Mr. Lakshmi Narayanan
CEO
Build HR
- Mr. Sundaravadivel
CEO
Life Style
- Mr. Hari Govindh Thilak
CHRO
General Electric
- Mr. Lakshmanan
CHRO
L&T Technology Services Ltd.

FOR REGISTRATIONS - CONTACT : +91 91763 88235

Resource Person:

- ❖ Mr.N.J Lakshmi Narayanan CEO Build HR
- ❖ Mr.Lakshmanan MT CHRO L & T technology services ltd
- ❖ Mr.Hari govinda tilak Senior HR director General electric
- ❖ Mr.Sundar vadive Senior HR leader –Multi industry experience

Intake-

- ❖ Companies should adopt strategies what is better for customer, economical to the organisation and simpler to the employees

How HR Role has undergone a Change:

- ✓ Traditional role to a Business Partner role.
- ✓ HR should be capable to make a presentation to Customers and speak about products, competitors, pricing etc
- ✓ Business Acumen with Employee advocacy.
- ✓ HR should be able to handle Plant Operations if required.

How young talent can up-skill themselves and ready to take new challenges.

- ✓ It is a great asset to have young talent as they are amenable.
- ✓ Young talent to learn from failures.
- ✓ Boundary-less learning has enabled young talent to take up any course from home.
- ✓ Freshers will find difficulties in getting placements, but don't hesitate to request for help from Seniors.

How to sustain in the field during such an Economic downturn

PRINCIPAL
Dwaraka Doss Goverdhan Doss
Vaijhnay College
Arumbakkam, Chennai - 600106.

- ✓ At the end of an Economic crisis, there will be a humungous upswing. We experienced this in 2001 & 2008 also.
- ✓ Innovation will be coming from grounds up. Work seamlessly as a team.
- ✓ Compensation should not be based on personal needs and family circumstances and should be for Learning agility and scalability. Pay for future performance will be the strategy.
- ✓ Compensation strategy will see a shift to more of Variable pay from less of fixed pay. Different pay for same jobs for people working in different locations.
- ✓ Dump obsolete policies and come up with new policies. For Instance, GE has launched a broadband policy during Covid -19. GE has also scrapped the Bell curve. PMS is no more a tool; it is a philosophy in GE. It is all about providing insights, constant feedbacks, touch points and setting priorities.

Participants-

- ❖ 97 participants from different domains

ACTIVITY: EVENT - VAISHNAV BAZAAR 2020

Event: Vaishnav Bazaar 2020

Date: 24th & 25th January 2020

Venue: Campus, DG Vaishnav College

Organizer: UDYAMITA (Entrepreneurship Development Cell of DG Vaishnav College)

Report: UDYAMITA, The Entrepreneurship Development Cell of DG Vaishnav College – A student committee promoted with the purpose of enriching and elevating the entrepreneurial skills of the students, hosted “Vaishnav Bazaar” for the third time, on 24th and 25th of January 2020.

Vaishnav Bazaar 2020 had encouraged a total of 180 stalls of different genres, comprising of 50 food stalls, 40 gaming stalls, 70 accessories stalls exclusively for DG Vaishnav College students and also gave an opportunity to students from other colleges to enhance their entrepreneurship skills by encouraging them to put up stalls which turned out to be an opportunity for our college students to have a healthy competition with the outside world.

- 3.6.4 Average percentage of students participating in extension activities listed at 3.6.3 above during the last five years(15)**

The entire bazaar setup was made possible through our valuable sponsors who were very much impressed by the way our student committee approached them and a total of 20 stalls were given to them.

Vaishnav Bazaar 2020 witnessed a total footfall of 19,000 which turned out to be a much bigger hit than the Second Edition of Vaishnav Bazaar which had a footfall of 17,000.

Director AL Vijay graced our Bazaar as the Chief Guest for the Inauguration and had a total of 20 walk-in celebrities addressing the people frequently. From the commercial perspective, Vaishnav Bazaar 2020 was the first stage and college to have had a movie's trailer launch. Actor Jiva, Satish and crew launched the trailer of the movie "SEERU" on January 24 with an overwhelming crowd of 3,000. Vaishnav Bazaar 2020 organised a massive Super Bike Expo on January 25 which was hysterically welcomed by the crowd.

Vaishnav Bazaar 2020 turned out to be a huge success because of our budding entrepreneurs who made their maximum efforts starting from the setting up of stalls in the most creative and unique way possible and handling the customers. It was a milestone for our budding entrepreneurs as different stalls were able to make huge profits apart from learning the fundamentals of entrepreneurship.

Special Awards for the Best Student Entrepreneur, Headliners, Stall Name, Spic 'n' Span stall, Eco-friendly stall, Window-dressing stall were judged and declared by honourable entrepreneurs from various fields.

Vaishnav Bazaar 2020 led by Miss.V.Gayathri, Convener of Udyamita, ED Cell and Head i/c of B.Com Marketing Management, teamed up with other faculty members, Miss.Kiran Sharma, Mrs. K. Nithya, Mrs. Shaguftha and Mrs Sujatha Rammohan and a strong and sensible student committee made huge profits.
